Lewis Custom Builders specializes in custom homes in the Greater Houston area. Lewis is well known for the personal attention given to each homeowner, from initial meetings to create the home, to final custom color selections. Lewis is well known for innovative home designs that take full advantage of the views that particular lots have to offer. Innovative and always in style, each Lewis Custom home is personalized to fit the needs of the discriminating buyer. The unique finishing touches of a Lewis Custom home may include elegant master retreats, wine grottos, generous wood molding treatments, beamed ceilings, high-end solid wood interior doors, the latest in faux painting, wood or stone stairways with wrought-iron balustrades, state-of-the-art media rooms and the latest in electronic technology, Quality, Integrity, Craftsmanship, and Customer Satisfaction are all part of the Lewis Custom home.
